NOTES:

- All members of the **Weston Crisis Intervention Team** fully participated in the September 10th School Evacuation because of the severe weather warnings issued by the National Weather Service.
- All members of the **Weston Crisis Intervention Team** fully participated in the September 10, 2014 School Evacuation because of a False Alarm pulled by a 1ST grader; Fire Dept. Responded.
- All members of the **Weston Crisis Intervention Team** fully participated in the May 1, 2015 School Evacuation because of a False Alarm pulled by a young visiting child; Fire Dept. Responded

This year we conducted six (6) Fire Drills, three (3) Severe Weather Drills, and Four (4) Lock Down Drills. We also had a Severe Weather School Evacuation due to Announcements from the National Weather Service and two (2) Fire Evacuations because of False Alarms being activated at one of the school's alarm pull stations
