Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Weston Preparatory Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Farrah Adams for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,12120,1667,119, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Weston is in the last year of utilizing ESSER funds to provide more opportunities for small group interventions as well as ensuring we are addressing the needs for SEL in regards to any continued trauma created from the pandemic. We continue to provide additional support to our students that is geared to meet their individual needs. We also provide general education social work support for all of our students. Weston has continued to make great use of our online platforms to assist in closing the achievement gaps. Weston continues to use Compass Learning as a

way to provide targeted intervention and instruction. Compass Learning is an online platform that is linked to each student's NWEA test scores and it provides a targeted learning path to help develop individual student needs. We were able to continue our after school tutoring program and increased its length from 8 weeks to 21 weeks. We also had our annual summer enrichment program that ran for 4 weeks.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

The Board of Directors will allow students who reside in Michigan to enroll in the Academy in accordance with limits established by the Board of Directors. Because space is limited, each student must enroll each year. Preferences will be given to currently-enrolled students and siblings of enrolled students. When maximum enrollment for a grade has been reached, applicants shall be placed on a waiting list and admitted on the basis of a lottery system.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

The Board of Directors supports the concept of school improvement as established by the State Board of Education. School Improvement Plans are developed and implemented by Academy-based teams that work collaboratively so that building level goals for students can be identified and then achieved through effective planning, problem-solving, and assessment. The School Improvement Team has representation of all Academy stakeholders. Each academic year, the School Improvement Plan is reviewed and modified based upon data collection that determines the level of accomplishment of performance objectives and program goals.

Weston School Improvement Goals are listed below:

1. Our NWEA reading growth scores will improve from 42% to 60% by the spring of 2024.
2. We will improve our math proficiency scores on the M-STEP from 5% to 30% by spring 2027.
3. We will reduce the number of chronically absent students by 20% by spring 2027.
4. Address students' social and emotional needs to improve academic growth over a period of time.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

At this time, Weston Preparatory Academy does not offer any specialized schools.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL

Weston Preparatory Academy provides a challenging and rigorous curriculum that is aligned to MI state standards and prepares students for the 21st century. Standards-based units of study have been designed to ensure that every student will achieve at high levels. Teachers are supported in their instructional responsibilities by way of relevant professional development, use of best teaching practices, technology and assessment information. Classroom instruction is delivered through a variety of technological means and a wide variety of online programs. Weston Preparatory Academy uses data to drive instruction and create focused and targeted small group instruction to meet the needs of all learners. A copy of the Educational Program is available in the school’s front office and also on the school website.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS
